

# ROSIE EVENTS

## TENTED BAR HIRE 2019

Rosie the vintage lorry is set up as a bar the day before the event and decorated with bunting, coloured lights and silk flowers. The bar is staffed throughout the day and into the night for a period of approximately 8 hours.

### CASH BAR

Rosie Weddings sources all drinks and glassware and charges guests for their drinks at the bar.

There is a £750 hire charge payable upon booking.

If we take £3190 on the bar there is no additional charge to the client. (If 110 guests spend £29 each you will achieve this)

Below £3190 we ask the client to make up the shortfall. ie if we take £3000 the client pays £190 etc

Please see our packages for table wine, welcome drinks etc which are then deducted from the minimum spend making it easier to achieve.

### DRY BAR

This price assumes the drinks are provided by you and we operate a free bar for guests. All inclusive hire charge including seating, staffing, decorations, glassware, ice £2350

*Please note we need a full day to set up the bar before the event and we will need to be onsite to pack down the day after the event. We leave the site as we find it and recycle wherever possible.*

*Please see our website for games prices and note that there is a discount of 10% for all games and extras that are hired when we are providing the bar.*

*Prices include delivery and set up within 5 miles of Bristol, after which we charge £2 per mile.*
